2. Drive all the way down and stop at the first stop sign (you will pass the soccer field and stadium on your left, and parking lot and big red building on your right).
3. Turn right at the stop sign.
4. If you look straight ahead of you, you will see a brownish looking building. This is where library 100 is.

6. Walk on the walkway ahead of you toward the left side of the brownish building.
7. Once you get to the middle, look right, and you'll see the entrance door, with "building 14" written on it. Please enter.
